Robert E. Collins Award

Alicia and Dean Butler were selected as the recipients of the **2023 Robert E. Collins Award**. The award has been presented annually since 1974 and recognizes individuals who go above and beyond in our community and exhibit extraordinary commitment and dedication to the Parks and Recreation Department. Dean and Alicia are extremely active and valued members, not only of the Middlebury Recreation Community but of the Town at large. Their deep love for our community is present in almost everything they do. Alicia and Dean have dedicated their lives to improving the health and fitness of our school-age kids and Middlebury is certainly a better place to live because of their efforts. Always the first to contact us about volunteering, Alicia has coached more than one team in a season for both our soccer and basketball programs over the last 6 years. She puts in a lot of time behind the scenes coordinating and planning practices to make sure everything runs smoothly. Both Alicia and Dean are chairs on the Middlebury Area Little League board as well as helping with the behind-the-scenes organization of the program and coaching teams. In addition to raising their 4 amazing children Natalie (9), Cooper (7), Ellie (5), and Rhett (8 months) Alicia acts as the Mary Hogan Parent Association (MESA)

president and when Dean is not answering an emergency call to help solve a situation which almost canceled our New Year's Eve firework display, he serves as returning volunteer member of the East Middlebury prudential committee. In their "free" time, they are avid snowboarders and have cultivated a love for this winter sport and now all their children share the same passion.

Alicia and Dean have proven themselves to be invaluable members of our department and we are so honored to present this award to them.

Alicia and Dean live with their kids in East Middlebury.

Put extra KICKS into your Spring with TaeKwon Do KICKS

The KICKS program has not only provided a positive, welcoming, family experience for both the student and parents, but has also reinforced many life values for our son. Program: West Coast Swing is a versatile partner dance, danced to a wide range of popular music from blues to pop, slow swing, and R&B. A cousin of traditional swing dances like the Lindy Hop and East Coast Swing, West Coast Swing is constantly evolving. Today, it combines swing connection and rhythms with independent movement inspired by influences from nearly every other dance style, as well as contemporary music. It is a smooth, cool, laid-back dance that can be funky, groovy, or lyrical, depending on the music and your personal style. It's extremely popular in the U.S.A. and is the official state dance of California. No partner is required to take class.

Outdoor Adventure: Fun, Camping, Hiking, Backpacking, Canoeing, Archery, and much, much more!

SCOUTING BUILDS CHARACTER AND INSTILLS VALUES FOR A LIFETIME

SETTING A COURSE FOR ADVENTURE

Scouts BSA is the traditional Scouting experience where youth ages 11-17 can have amazing adventures in the great outdoors, develop a love of service by volunteering in their community, boost leadership skills through fun and exciting challenges, and create memories of a lifetime!

Scouts BSA features single-gender troops (all boys or all girls), and activities are youth-led, meaning adults train youth members to assume leadership roles, and, with those skills, Scouts plan the program and carry it out themselves. Through these activities, they develop teamwork and learn to lead as well as follow.

For more than 100 years, our program has helped create generations of leaders and outstanding citizens by providing young people with the opportunity to explore their interests, serve their communities, and discover new talents through youth-led activities like hiking, camping, and volunteering!

SERVICE

Scouting builds leaders. Former Scouts serve on the boards of global corporations, walk the halls of the White House, and have been known to go hiking on the moon occasionally. Life lessons learned in Scouting will help all its members make good decisions throughout life.

LEADERSHIP DEVELOPMENT

As leaders, Scouts are taught to listen carefully to the ideas of their peers, to be fair, flexible and organized, to follow up on assignments, delegate, when necessary, be quick to encourage or praise for a job well done, to know when to ask for help, to accept criticism as a gift, and most of all, to have fun.

PERSONAL GROWTH

The Scout slogan is Do a Good Turn Daily. That means doing something to help others each day without expecting anything in return. It implies that Scouts learn to do their part in caring for the community and the environment.

Advancement is the Scouts BSA method of promoting and encouraging ongoing involvement and commitment to keep youth engaged in adventure! Scouts progress from rank to rank as they work their way up to Eagle Scout.

MERIT BADGES

Learn about sports, crafts, science, trades, business, and future careers as you earn merit badges. There are over 135 merit badges covering a variety of subjects. From archery and wilderness survival to environmental science and robotics to cooking and theater, there's something for everyone!

EAGLE SCOUT

The Eagle Scout award is the highest rank available. It is a prestigious and rewarding accomplishment known for the amount of work and dedication required to achieve it. Start your journey today!

Our upcoming schedule:

Walking and Biking Updates

Get ready for the Middlebury Bike Swap. Frog Hollow Bikes and Middlebury Safe Routes host this annual event in Cannon Park. If you have a bike that's not being used, but still in decent shape, this is a chance to pass it on to another cyclist. It's also your chance to find a great deal on a 'new-to-you' bike. Save the date: Saturday, May 4th from 9 am to 12 pm.

Middlebury Safe Routes hosts "Walk and Roll to School Day" on the first Wednesday of each month at Mary Hogan School. They also monitor traffic patterns and student travel behavior, plan activities to teach bike skills and rules of the road, and recommend improvements to roads, parking lots, drop-offs, sidewalks, crosswalks, traffic lights, signage, bus routes, bike routes, bike racks, and more. Contact Erik Remsen at erik.remsen@gmail.com to help or offer input.

The Walk/Bike Council of Addison County is a county-wide, citizen-led advisory group that meets bi-monthly. The Council seeks to build momentum and capacity for safer walking and biking to our towns and villages. Council members work with state and regional agencies, municipal staff, schools, and other interested community partners. Anyone interested should visit www.walkbikeaddison.org.

Did you know? We all know biking is healthy for you, but do you realize that your biking benefits everyone in the community? Biking causes less wear and tear on town roads, it emits less pollution, it cuts down on traffic and opens up parking spots, and it results in less noise pollution. Talk about contributing your fair share!
